

LOWEST PRICE GUARANTEE (PUERTO RICO ONLY)

NAVY AUTOSOURCE believes our selling prices are as low or lower than you could expect to pay for the same new vehicle purchased and delivered anywhere in Puerto Rico. The combination of pre-negotiated Exchange discounts, plus special factory military incentives, makes it possible for us to offer you this lowest price guarantee.

If any authorized dealer in Puerto Rico offers to sell you **the same new vehicle with identical options** for delivery on the **same delivery date** and at the **same delivery location** shown on your NAVY AUTOSOURCE Order Acceptance for less money, we will refund the difference.

I. Selling Price Calculation

NAVY AUTOSOURCE will compare (a) NAVY AUTOSOURCE's final selling price (after discounts, rebates, allowances, and/or incentives) on your Order Acceptance to (b) the final selling price (after discounts, rebates, allowances and/or incentives) an authorized, franchised dealer offers you for the same new vehicle for the same delivery date. If the dealer's price is less than NAVY AUTOSOURCE's price, NAVY AUTOSOURCE will refund the difference to you.

II. Terms & Conditions

- a. The lowest price guarantee is only available for a purchase of a new vehicle made through Navy AutoSource.
- b. NAVY AUTOSOURCE's lowest price guarantee is valid up until the date you take delivery of your vehicle. You have up to 14 days after the date of delivery to submit your claim for review.
- c. Customer must provide either: (1) an itemized quote or (2) a current advertisement with valid pricing from an authorized franchised dealer for an identical new vehicle as purchased by you (that has not been used as a dealer demonstration unit) for delivery on the same delivery date and delivery location. Online buying or quoting services are not valid proof of pricing.
- d. Navy AutoSource must be able to verify the dealer's written offer or advertisement and the availability of the vehicle before issuing a refund to you pursuant to the lowest price guarantee. If Navy AutoSource is unable to verify the quote or advertisement information, your claim will be rejected.
- e. The dealer's offer to sell or advertisement must be from an authorized dealer in the same manufacturer-defined zone where you intend to take delivery or actually took delivery.
- f. The lowest price guarantee excludes any and all changes after the date of delivery including without limitation the manufacturer's National Rebate program and/or low rate financing programs.
- g. This lowest price guarantee is valid for new vehicles purchased for delivery in Puerto Rico only. Vehicles purchased for delivery to other locations are excluded from this policy.
- h. The lowest price guarantee is not valid on leased vehicles.

III. Claims Submission Procedure.

In the event you wish to file a claim under the lowest price guarantee, you must adhere to the following procedure for your claim to be processed. Failure to follow this procedure will result in the rejection of your claim:

The New Car Franchised Dealer Price Offer form and the quote on the dealer's letterhead (or advertisement) must clearly state that the price committed to by the dealer is for delivery of an identical vehicle to the same location and on the same date shown on your NAVY AUTOSOURCE Order Acceptance. You must provide an original written offer from a dealer (not a photocopy).
